

Interested in connecting with PA CareerLink?

Please call your local PA CareerLink to learn about available services including registration assistance, resume building, interviewing preparation, job search assistance, training/education opportunities or eligibility for 'Priority of Service' for Veterans and Spouses. Inquires can also be submitted through the 'CONTACT US' tab at the bottom of www.pacareerlink.pa.gov and Staff will respond.

Why Register?

You can create, upload a resume, and make yourself available to thousands of employers. Once registered, job-seekers can search and apply to local job openings across Pennsylvania and receive free access to a variety of online career resources such as interview training, skills assessment tools, career videos, and a military translator into civilian careers.
