814 Lanes & Games - Bites & Brews

Welcome and congratulations on being selected to work at 814 Lanes & Games along with Bites & Brews! This business is the result of a childhood dream by the Hogue brothers. Growing up we loved to go to amusement parks and family entertainment centers. We enjoyed our adventures and wanted to create a place of our own that would be fun, safe, and an active environment for parents to bring their families. You are an important process in making that a reality. Our goal is to ensure our guests are having fun in a safe manner. We want to create a culture of saying "yes" to our guests, especially with our parties and events. If there is any detail or service we can do to ensure every guest experience is special, we encourage our team members to do it. We want to keep a clean, fun and team environment at all times. We encourage cross-training between attractions, positions and the food and beverage side of our business. We love to have staff members learn new things and promote from within!
